ZOO MANNERS

Please! Zoo policy prohibits food or drink from being brought in to the Zoo. Picnic tables are available outside the Zoo for those who want to bring their own food.

We want all children to have a great time in the Children's Zoo play area. Parents and chaperones, please guide children to use the play area properly. Climbing on the rockwork walls to the play area is prohibited.

Thank you for not bringing your pet to the Zoo today. We do allow service dogs for the physically impaired. If you are here with a service dog, please check with Guest Services for exact instructions.

Thank you for not using tobacco related products (including E-cigarettes) while on Zoo property. There are no designated smoking areas at the Zoo.

RESPECT THE ANIMALS

Please respect the special diets of the animals. Treats or "people food" can cause stomach problems for these wonderful creatures.

Please help us by not throwing items into the habitats of the animals. Even simple objects can be hazardous, if swallowed.

Fences and barriers around the animal areas are there for your safety and that of the animals. Please stay on the walkways and viewing areas provided.

Help keep our Zoo and our animals safe. If you see anyone disregarding these requests, please immediately call 205-397-3870.

Coming Soon!

The new Front Entrance construction has begun! Please pardon our progress as we make way for this new visitor experience. During this construction phase, the Zoo's entrance will be temporarily moved to the Junior League of Birmingham - Hugh Kaul Children's Zoo Breezeway Entrance.
