**New Baby Diabloceratops “Born” at the Birmingham Zoo!**

**BIRMINGHAM, AL** – The Birmingham Zoo is excited to announce that at 4:17pm on Thursday, June 9, a baby diabloceratops hatched at the Birmingham Zoo’s Dino Discovery exhibit. The mother diabloceratops laid an egg in April, and Zoo guests and patrons have been guessing on social media when they thought the egg would hatch. The winner of the contest received a membership to the Birmingham Zoo and dinosaur fossils.

The community is invited to visit the Birmingham Zoo and to see the new baby dinosaur in the Dino Discovery exhibit before it goes extinct this summer!

**Zoo Mission: Inspiring Passion for the Natural World**

2630 Cahaba Road • Birmingham, AL 35223 • 205.879.0409 • [www.birminghamzoo.com](http://www.birminghamzoo.com)

*Approximately 950 animals of 230 species call the Birmingham Zoo home, including sea lions, zebras, rhinos and endangered species from six continents.
