### Teen Volunteer Recommendation Form

Teen applicant's name: \_\_\_\_\_

Parental Consent: I authorize the release of information from my son's/daughter's school records and information to the Volunteer Department of the Birmingham Zoo, Inc.

Parent's Signature \_\_\_\_\_ Date \_\_\_\_\_

To Whom It May Concern:

Thank you for taking the time to complete this teen applicant's recommendation form for the Birmingham Zoo Teen Volunteer Program. The training program involves teens being able to learn a great deal of information about animals, conservation, interacting with the public, etc.

A volunteer's focus is education and interacting with the public, and it is important that the teen volunteer be outgoing enough to be able to interact on a personal level with Zoo visitors. Teen volunteers must be courteous and polite when dealing with the public. Teen volunteers will likely be working with very young children in our summer camp program.

**Please be honest.** If you feel that a teen is not suitable, please let us know. Your comments will be confidential. We recognize the fact that not all applicants will be able to work in this type of environment. We appreciate your time and consideration in this matter. Please feel free to add any additional comments that will help us choose candidates that will be best suited for our program.

**Please place the completed form in a sealed envelope with your signature across the seal and return it to the teen. This is a vital piece of the application process and teens who fail to provide it will not be considered for the program.**

Thank you for your time and effort!
