## Going to the Birmingham Zoo!

At the **zoo**, there are many animals to see and activities to do. When I get to the **zoo**, I will wait in line with my group until it is my turn to go in.

The Zoo has Sensory Bags that will help me if I need them. The bags have headphone and fidget tools that I can use while I am visiting.

As I go into the **zoo**, I can get a map. I can pick the animals I want to see and follow the **map** to find them.

If I get hungry, I can eat the snack I  
brought or buy something from  
**Wild Burger**

If I need a bathroom break, I will ask my group or family for permission. This way everyone knows where I am and I feel safe.

I can use the Sensory Room if I need a  
place to help me calm down

## Going to the Birmingham Zoo!

Some places at the **zoo** will be loud! I can always ask to go to a quiet place with my group or family, like **Alabama Wilds**.

## Going to the Birmingham Zoo!

If I am feeling overwhelmed, I can go to a Quiet Zone. I can find these on the Zoo map or ask a Zoo staff member.

I can also use headphones if the noises are too loud.

I can visit the barn and brush the animals that are close to me. The animals like to be softly brushed on their backs. If I don't want to brush the animals, I can stay with my group and watch.

I will walk on the paths at the **zoo** and stay with my group.

# Going to the Birmingham Zoo!

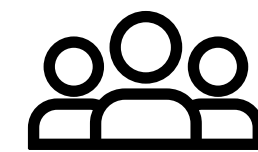

The zookeepers and volunteers wear **blue** uniforms. I can ask them questions about the **zoo** or the animals. I will wait my turn to ask my question. This will make everyone feel happy.

# Going to the Birmingham Zoo!

I may need to wait to see an animal and take turns with other visitors. Waiting and taking turns helps keep everyone safe and makes sure everyone has fun.

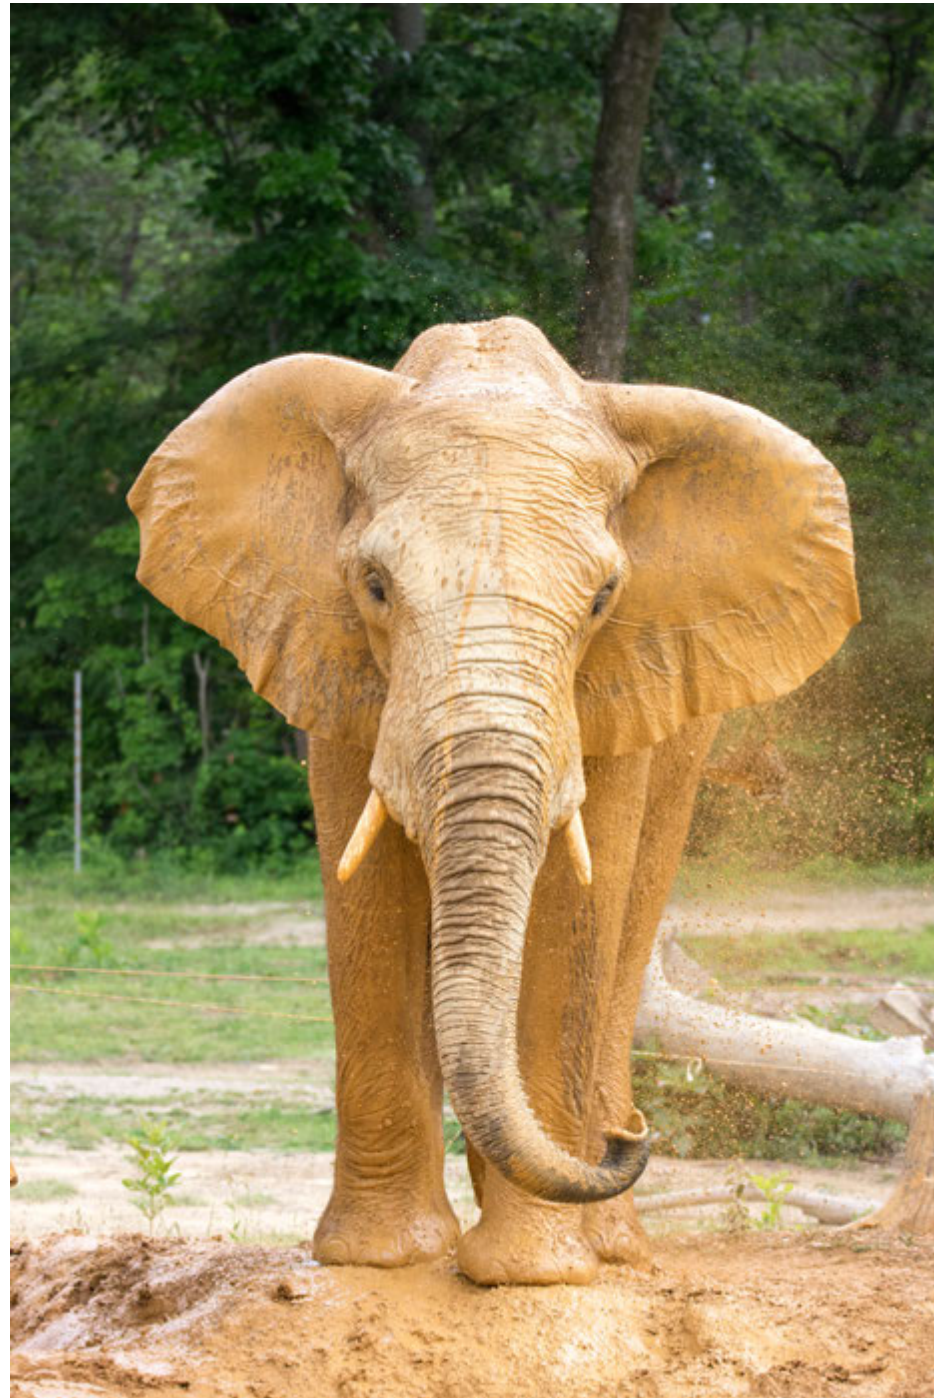

# Going to the Birmingham Zoo!

Sometimes the animals may be sleeping or away from their habitat for a while. I know that I can come back to see them again another time.

## Going to the Birmingham Zoo!

I may not like the smell around some of the habitats. The animals are amazing, and I will only be there for a few minutes.

## Going to the Birmingham Zoo!

I may need to wait in line to ride the train. If the line is too long, I can come back later.

# Going to the Birmingham Zoo!

When it is time to leave the **zoo**, I will get my things and say goodbye to the zookeepers and the animals.

**It was a great  
day at the zoo!**
