Glow Wild 2022 at the Birmingham Zoo

November 16, 2022 – January 16, 2023

BIRMINGHAM, AL – The Birmingham Zoo invites the community to join us for an all-new, larger-than-life illuminated experience, Glow Wild: An Animal Lantern Celebration! This extraordinary event will be held on select nights during the months of November, December, and January.

Guests will be captivated by visually stunning lantern creations of wildlife and fantastical creatures from around the world. The Zoo will come alive with hundreds of marvelous animal shapes of all sizes – from giraffes, bears, elephants, dolphins, and a 200-foot-long dragon – and some as tall as 40 feet high! The Zoo will brilliantly sparkle to light up the night and offer something for everyone to enjoy! Take a wild ride on the Red Diamond Radiant Express Train* or go for a spin on the Protective Life Jingle Bell Carousel*.

Glow Wild will be held on select nights from 5:00 pm until 9:00 pm starting Wednesday, November 16 until Monday, January 16, 2023. Glow Wild event tickets are on sale now online and guests are encouraged to purchase tickets online in advance at birminghamzoo.com to avoid long lines at the ticket booths. Single-ride tickets for the train and carousel are an additional cost and are not included in event admission.

Glow Wild is a weather-dependent event with nights being subject to cancellation with no refunds. Please be aware that as a night event, Zoo animals will not be viewable during the event.
